

## Principal Environmental Consultant

[Apply Now](#)

Company: The Green Recruitment Company

Location: United Kingdom

Category: life-physical-and-social-science

**Job Title:** Principal Environmental Consultant

**Location :** Hybrid - Multiple UK-wide offices (London preference)

TGRC is currently looking for an experienced and talented Principal Environmental Consultant to join a renewable consultancy in London.

The Green Recruitment Company are delighted to be partnered with a leading multinational consultancy specialising in providing technical engineering and sustainability solutions to the manufacturing, infrastructure and built environment sectors.

### **Key Responsibilities :**

Deliver and provide technical leadership on projects relating to decarbonisation pathways, including low-carbon technologies, energy efficiency, renewable energy, waste management, and sustainable procurement

Gather, analyse and interpret datasets related to Scope 1, Scope 2, and Scope 3 emissions.

Support the Engineering team in delivering low-carbon designs

Identify decarbonisation project opportunities for the team to pursue and support business development efforts

Act as a project lead and be responsible for task and output management

Support more junior members of the team using your knowledge and industry experience

### **Your Profile :**

Experience in one of the following: BREEAM, Net Zero strategies, developing carbon reduction strategies through low carbon technologies, or energy networks and energy security experience

Good understanding of UK and EU decarbonisation/Net zero frameworks and policy

Strong stakeholder management skills with a demonstrable background in client-facing roles

10+ years of consulting experience in sustainability and carbon

Degree in Engineering, Environmental Science, or Sustainability fields

In conclusion, be part of an organisation to drive the renewable energy revolution and contribute to a sustainable future.
