Company: MSI Group

Location: United Kingdom

Category: healthcare-practitioners-and-technical

Join the dynamic team at MSI Group and discover a workplace where we prioritise and deeply value our nurses. As a Registered General Nurse (RGN) within the challenging yet rewarding environment of a prison facility, you'll have the opportunity to unlock your full potential while making a meaningful difference in the lives of others.

Key responsibilities for Prison RGNs include utilising triage skills, emergency response, immediate life support training, and proficient medication administration. We require our nurses to hold prison clearance, although we welcome applicants with expired clearance who possess relevant prison experience. Additionally, candidates must hold NMC RGN Registration and have at least 6 months of experience within an NHS setting.

At MSI Group, we are committed to supporting our employees, offering:

Daily payroll services

Competitive market premium hourly rates

Access to a dedicated specialist recruitment consultant

Round-the-clock on-call support

Seamless and efficient registration processes

An uncapped £200 referral bonus for successful candidate recommendations

Join us at MSI Group and embark on a fulfilling career journey where your skills and dedication are valued and rewarded.

Rates can vary based on shift pattern.
