### **About our Bupa Bangor Holyhead Road Practice:**

Established 5 surgery practice, modern working environment, CBCT Scanner, Microscope. Experience long standing associates in situ, most of the dentists at this practice have been there for more than 15 years. We are a private practice and are accepting new patients and also accept referrals from other dentists.

We offer a range of general, complex and cosmetic dentistry with services in endodontics (root canal), orthodontics (including Invisalign) and periodontics (gum and oral health).

We place dental implants and provide restorative dentistry. For nervous patients, we offer a relaxation focused approach to dentistry.

We aim to enable our patients to keep their teeth for as long as possible, retaining comfort, function, health and aesthetics and to accomplish this in a way that is appropriate for each individual patient.

Bangor train station is just three doors down from the practice

Accessible via A55

Our practice offers Bupa Smile Plan - a payment plan that allows patients to spread the cost of their routine preventive dentistry throughout the year. This enables our patients to budget for their dental care and encourages regular attendance helping to maintain their oral health. For you it means a more stable income from a loyal patient base with absolutely no fees or admin costs - you get paid for the work you do in line with private pricing.

Being part of Bupa also means the unique opportunity to provide dental treatment to our insurance customers, improving your revenue streams and growing any private work you wish to undertake.
