Private Independent Dental Practice

Three days available (Mon-Weds)

Suffolk - 8 miles east of Ipswich

Suffolk Coast & Heath Area of Outstanding Natural Beauty

Newly equipped surgery

Affluent area with established and loyal patients plus large waiting list

Digital x-ray and computerised

Supportive principal

Well-established practice providing excellent scope for full use of all skill and professional development opportunities

Established team with great connections to the local community

Permanent position

Reference: JG2140

This is a great opportunity to join an established independent practice that has been a part of the local community for over 30 years. You will be joining an expanding practice, that is extremely busy and provides plenty of opportunities to practice a wide breadth of dentistry, in addition to general dental treatments if you wish.

This is both a lovely and affluent area between Ipswich & Woodbridge (3 miles away), named "Best in the East" by the Sunday Times in 2021, with the postcode area repeatedly named one of the top ten postcodes in England. With this in mind, this makes a great relocation opportunity. That said, it will also make a great opportunity for an already locally based dentist seeking a more private focus in their career and development.

The practice is modern and well-equipped and the principal is keen to invest in technology if required for the benefit of patients.

Successful candidates will be fully registered with the GDC and have experience of providing private dental treatment in the UK. Ideally, you will have a performer number to treat the small number of NHS patients (children), but it is not essential.
