**Process Technician**  
**Nuffield Health Cambridge HSSU Hub | Sterile Services Unit | Permanent | Full time**

**£23,887.50**

**per annum**

**37.5 hours per week working 5 days in 7, rotational shifts**

**Monday to Friday 8am - 4pm and 2pm - 10pm. Weekends 8am - 4pm**

If you're enthusiastic, motivated and you've previously worked in a sterile services environment, this is an exciting opportunity to join the UK's largest Healthcare Charity. Taking care of the nation's health starts with a supply of sterile and disinfected medical devices that meet our customers' needs. It starts with you.

As a Process Technician at our Cambridge HSSU Hub, you'll bring a basic standard of general education with proven literacy and numeracy skills. You're organised with good communication skills - and ideally, you're able to show evidence of sterile services training.

As a Process Technician, you will:

- Help to ensure all equipment is in good working order.
- Regularly check medical equipment for damage and report any faults.
- Maintain a clean and tidy work environment.
- Take action to resolve any problems.
- Escalate issues where necessary.
- Maintain accurate records and documentation in line with our policies and procedures.

Helping you feel good.

We want you to love coming to work, feeling healthy, happy and valued. That's why we've developed a benefits package with you in mind. From paid overtime to free gym membership, private healthcare and emotional wellbeing support. At Nuffield Health, we take care of what's important to you.

Join Nuffield Health and create the future you want, today.

If you like what you see, why not start your application now? We consider applications as we receive them and reserve the right to close adverts early (for example, where we have received an unprecedented high volume of applications). So, it's a good idea to apply right away to ensure you're considered for this role.  
It starts with you.
