SC Clearable Procurement Manager - Hybrid

IO Associates are working with a consultancy that primarily work into Nuclear, Defence, Rail transport and Renewable Energy. They are looking for an all-rounder Procurement Manager to join in the Birmingham office - they have offices across the UK also. Ideally, you will have both public and private sector experience.

You will need to be SC Clearable or SC Cleared - this is a great opportunity if you're looking for a company to sponsor your SC Clearance. They need a Procurement Manager that has experience with the full life cycle of processes.

You will be requirement to work hybrid (2-3 days per week) and they are looking for a range from junior - senior consultants.

Requirements:

Experienced all-rounder Procurement Manager with a background in infrastructure, experienced with the whole strategic life cycle and procurement strategy - stakeholder engagement and external employee communication skills is key.

Consultancy experience - able to work on multiple projects.

Public and private sector experience.

Industry experience with one of the following: Nuclear, defence, rail transport, renewable energy.

SC CLEARABLE OR SC CLEARED.

They have a good benefits package such as a pension, private medical insurance, health insurance, life assurance, accident cover and 24 days holiday (plus public).

This is an urgent requirement. To apply, please send me your updated CV and mobile. This will be either a one or two stage interview process.

We also offer a generous referral scheme.
