Company: Frasia Wright Associates

Location: United Kingdom

Category: business-and-financial-operations

This international law firm currently has a need for Procurement Lawyer to join its busy Commercial Procurement Team in either its Edinburgh or Glasgow office. This growing team is responsible for providing advice on various procurement matters (non-contentious) including commercial contracts, government contracts, transport, healthcare, regeneration, and wider development.

The team is keen to hear from candidates at the 2+ years' PQE level with previous experience of procurement and commercial contracts, however, the team is open minded and will also welcome applicants with less PQE as long as they possess the right skills.

This is a great opportunity to work on high value, innovative procurement matters. The role also offers career progression prospects as well as flexible working opportunities (requiring 3 days per week office presence). If this position could be of interest to you, please do not hesitate to contact either Cameron or Frasia for an initial and confidential discussion.
