Are you looking for an excellent opportunity to fast-track and progress your career with a supportive organisation where you will have the opportunity to work across exciting projects? If so, I have a live Procurement Manager position in the Construction category, sitting with one of my key clients offering fast progression and excellent support to ambitious candidates.

My client works hard to create an inclusive, supportive and rewarding environment where their employees can thrive. They are offering you the opportunity to discover your potential whilst happy, engaged and challenged in your career.

You will have a commercial background in Construction Procurement with NEC/NEC3 contract experience.

Public Sector or experience of working in a regulated environment.

Ability to help formulate and develop strategic initiatives.

Ability to deal with clients and others whilst striving to exceed their commercial expectations.

Commercial acumen and supporting delivery.

Risk and opportunity management.

Does this sound like an opportunity you would like to explore further, if so, please send your updated cv to: alex.steel@1st-executive.com and let's schedule a chat to discuss further.

Interviews will take place ASAP.
