Castlewellan

Are you passionate about food innovation and have you got creative culinary ideas? Do you thrive in a dynamic environment where your creativity is valued and your ideas can shape the future of the industry?

On offer is the opportunity to join a company who are dedicated in crafting exceptional food products supplying various household names such as Tesco's, Macro, Sainsbury's. This company have been on a rapid growth journey over the last few years and are continuing to grow and expand their product line, looking for a talented and driven Product Developer to help.

As Product Developer, you'll be at the forefront of innovation, collaborating with the cross-functional teams to conceptualise, develop and launch exciting new food products. You'll be working alongside the sales and production teams to collaboratively ensure excellence is delivered in every bite.

This role is suited to an innovative and driven aspiring product developer looking to jump into a new role within a progressive and successful company.

The role:

Conducting market research and trend analysis to identify new product opportunities

Leading product development projects from ideation to commercialisation, ensuring quality, taste and targets are met

Formulating recipes and conducting sensory evaluations to optimise product flavour, texture and appearance

Staying informed about industry trends, consumer preferences and regulatory requirements to drive innovation and maintain compliance

The person:

Experience in food product development essential Reference Number: BBBH13132

Keywords: Production, Food production, chicken, Castlewellan, manufacturing, product design, product development

We are an equal opportunities employer and welcome applications from all suitable candidates.

The salary advertised is a guideline for this position. The offered remuneration will be dependent on the extent of your experience, qualifications, and skill set.

Ernest Gordon Recruitment Limited acts as an employment agency for permanent recruitment and employment business for the supply of temporary workers. By applying for this job, you accept the T&C's, Privacy Policy and Disclaimers which can be found at our website.
