

Production Assembler - Test Technician

[Apply Now](#)

Company: Novanta

Location: United Kingdom

Category: other-general

Build a career powered by innovations that matter! At Novanta, our innovations power technology products that are transforming healthcare and advanced manufacturing—improving productivity, enhancing people’s lives and redefining what’s possible. We create for our global customers engineered components and sub-systems that deliver extreme precision and performance for a range of mission-critical applications—from minimally invasive surgery to robotics to 3D metal printing.

Novanta is one global team with over 26 offices located in The Americas, Europe and Asia-Pacific. Looking for a great place to work? You have found it with a culture that embraces teamwork, collaboration and empowerment. Come explore Novanta.

Job Summary

As an Assembler I, you will be responsible for assembling products according to specifications. You will also need to ensure that the quality control standards are met.

Primary Responsibilities

Reading and interpreting assembly instructions, blueprints, schematics, and diagrams.

Assembling components or sub-assemblies using appropriate tools and following specific guidelines and procedures.

Inspecting parts for defects or damage.

Following safety protocols and ensuring a safe and efficient working environment.

Maintaining a clean and organized work area.

To assemble and test electronic assemblies to a high standard, meeting production schedule requirements.

Job Requirements

To be able

To solder components primarily SMT to IPC 610 standards or equivalent.

Test electronic assemblies at functional level.

Maintain concise test and production records, good attention to detail.

To maintain a clean and safe working environment.

To work as part of a team.

Preferable

Relevant experience in a production environment.

Working knowledge of PCB assembly and Test.

Knowledge of IPC and ISO Standards.

IT literate with a background and interest in electronics.

Advantage

Working knowledge of Cable assembly.

Working knowledge of potting and conformal coating.

Very presentable appearance with polite manner.

Flexible with a 'can do' attitude.

Novanta is proud to be an equal employment opportunity and affirmative action workplace.

We consider all qualified applicants without regard to race, color, religion, sex (including pregnancy), sexual orientation, gender identity or expression, national origin, military and veteran status, disability, genetics, or any other category protected by federal law or Novanta policy.

Please call +1 781-266-5700 if you need a disability accommodation for any part of the employment process.
