

## Production/Machine Operators

[Apply Now](#)

Company: Proactive Global

Location: Leighton Buzzard

Category: sales-and-related

Your daily duties will include:

Operating automatic or semi-automatic machinery safely

Ensuring production areas are clean and free from obstacles

Running quality checks on finished products, ensuring they meet company standards and flagging below-standard items

Ensuring raw material is fed into processing machines safely, including quality checking raw materials

Working on packaging and labelling items

Maintaining machines, and ensuring they run smoothly

As the manual world becomes more digital, you may be required to operate some basic software  
To be considered for this role you will need the following skills/experience:

Previous production/manufacturing experience

Ideally have worked with machinery previously

Good working within a team and on your own initiative

Good attention to detail in order to understand and correctly follow processes

Good communication skills  
The ideal candidate will:

Have good time keeping skills

Posses a positive attitude and willingness to learn

Be professional and approachable More about the role:

Hours - Rotating shifts 6.00am-2.00pm, 2.00pm-10.00pm alternating weekly

6 days on followed by 3 days off

Start date: ASAP following interview process

Rate - £12.00 - £13.50 per hour

Duration: Full-Time ongoing assignment with view to permanent contract

Proactive Global is committed to equality in the workplace and is an equal opportunity employer.

Proactive Global is acting as an Employment Business in relation to this vacancy.
