

## Production Operative

[Apply Now](#)

Company: Guidant Global

Location: Bedford

Category: other-general

Every Summer, incredibly popular events are being held across the whole of the UK - whether that be festivals, exhibitions or parades. Naturally, these events need plenty of signage to help guide the public to where they need to be - a task which requires a team of dedicated staff to create, deliver and organise equipment ready for use!

As a Production Operative, you will be working amongst a team of motivated and committed people who consistently work towards set deadlines. From the receipt of contracts to the delivery of signs to site, you will be given the opportunity to work across the entire pipeline of work that this contract provides and get the full experience of the entire lifespan of this department.

This site is based in Bedford, and will ideally require your own mode of transport as public transport links are not always a viable option.

With great social working hours on offer as well as plenty of room for overtime, this initial 6 month contract with potential for extension is a great option if you are looking for a role with lots of autonomy and a chance to learn new skills!

Guidant Global is acting as an Employment Business in relation to this vacancy.
