

Production Operative – Recycling

[Apply Now](#)

Company: Pertemps

Location: Stratford-upon-Avon

Category: other-general

Our client is a globally recognised recycling company who are seeking multiple proactive Yard Operatives to join their team. This role may also suit candidates with experience as a Production Operative, Manufacturing Operative, Machine Operator or Warehouse Operative.

As a Yard Operative, you will play a crucial part in the efficient operation of the site, ensuring the smooth separation of materials and supporting their commitment to responsible recycling practices.

Hours Rotational shifts of Monday – Friday (06.00 am to 14.00 pm and 14.00 pm to 22.00 pm)

Pay £12.04 p/h

Key Responsibilities:

Safety Compliance: Adhere to all safety protocols and guidelines as outlined in the Code of Conduct and Health and Safety SOPs, to maintain a safe working environment for yourself and colleagues

Material Handling: Safely and efficiently handle incoming and outgoing materials, including sorting, stacking, and categorising materials

Equipment Operation: Operate various yard equipment when required

Quality Control: Conduct inspections to ensure that materials meet quality standards of the

Site Manager and are properly sorted for recycling, and to ensure maximal profitability for the company

Yard Maintenance: Assist in general yard maintenance tasks, including cleaning, sweeping, and ensuring the overall cleanliness of the yard

Adaptable Working: You will aid other areas of the site when required

The Ideal Candidate:

Previous experience in a similar role within the recycling or manufacturing industry is preferred but not required

Exceptional organisational and coordination skills

Ability to operate yard equipment such as forklifts is highly beneficial

Strong attention to detail and commitment to quality control standards

Excellent communication skills (both verbal and written) and the ability to work effectively as part of a team but also be self-motivated and able to work independently too

Able to lift heavy objects with the nature of the role

A positive attitude and willingness to learn and grow within the company

Drivers License and access to own vehicle as minimal public transport nearby

Benefits:

Competitive hourly wage

Comprehensive training and development programs to support your career growth, upheld through a promote-from-within philosophy

The opportunity to make a positive impact on the environment by promoting recycling and sustainability

23 days annual leave yearly

Pension Contributions

Company Health and Wellness Plan

Death in Service 4 x annual salary

A supportive and inclusive work environment where your contributions are valued

How to Apply:

If you are ready to join a dynamic team dedicated to making a difference in the world, please submit your resume. We look forward to hearing from you!
