Company: Blue Arrow

Location: Belper

Category: other-general

Blue Arrow is proud to work in support of a leading manufacturing client in Belper DE56. This company is a worldwide leader in the assembly of water heating systems. We are recruiting for experienced production operatives with backgrounds in assembly and manufacturing to join this amazing team in on-going roles. Once you start on-site as a flexible worker, there are opportunities for upskilling, and training.

Due to the location and shifts, you **MUST** live locally or be able to drive and have access to your own vehicle.

We are looking for candidates with full flexibility to cover all 3 of the below shifts on rotation.

-Day shift: Monday to Thursday 06:00 - 14:30, Friday 06:00 - 12:00

-Afternoon shift: Monday to Thursday 14:30 - 23:00, Friday 12:00 - 18:00

-Night shift: Sunday 20:30-06:00, Monday-Thursday 23:00-06:00

This client offers excellent pay rates, and the rates increase with length of service!

\* £12.60 on morning shift (up to £15.92)

\* £14.36 on afternoon shift (up to £17.68)

\* £15.29 on night shift (up to £18.61)

Some amazing benefits!

\* Fantastic pay rates (best in the Area)

- \* Full training provided and internal growth opportunities
- \* Great staff facilities -subsidized canteen that serves delicious freshly made food and Costa Coffee
- \* Highest standards of Health and Safety
- \* Up to 33 days of annual leave (after qualifying period)
- \* On-site Blue Arrow Team and 24/7 out of hours number - We are here to help!

What will you be doing?

- \* Always meeting health and safety requirements and committing to always working safely
- \* Working on an assembly line, putting goods together in a factory environment
- \* Working to targets (timed completion of tasks at your station while still ensuring quality)
- \* Safe set up and use of machinery, working with hand tools
- \* Report any issues with machinery or goods on the assembly line

Who we are looking for:

- \* Someone who thrives in a fast-paced environment and able to work efficiently
- \* Strong attention to detail
- \* Reliable and dependable
- \* Flexible and willing to take on a variety of tasks
- \* Someone who enjoys working systematically and productively
- \* Previous assembly and production experience (preferred)

We will also consider transferable skills - construction, trades, mechanic, electrician, working to targets etc or working with tools in your day to day life (i.e. DIY, fixing your car/bike etc).

During the induction session, there will be a simple assembly skills test to see if you have dexterity and ability to follow instructions. If successful, full on-site training will allow you to quickly understand the tasks required of you and the machinery used is intuitive

**ESSENTIALS:**

- Due to location and shift patterns own transport is a MUST.
- The ability to meet the physical demands of the job - this would encompass manual handling/picking/moving of boxes, as well as using machinery
