

Production Planner

[Apply Now](#)

Company: Nicholas Associates

Location: Derby

Category: architecture-and-engineering

Do you have previous experience working in a Production Planning capacity as a Production Planner, Material Planner or similar?

Do you enjoy getting involved and being out on the shop floor working closely with the production teams to ensure that parts and products are being made on plan?

If so then please read on!

The basics:

Job Title: Production Planner - machining and fabrication department.

Environment: Manufacturing - precision engineering

Location: Derby

Hours: Monday - Thursday - 07:30-16:00. Friday - 07:30-12:30 39hrs per week.

Salary: £30,000 to £33,000 per annum.

Role: Permanent

Holidays: 33 days

Benefits: Death in service x2 of salary, pension

Overview:

Working in modern, purpose built, manufacturing facilities we now require a Production Planner to join the team.

The Production Planner will be responsible for managing all production planning and MRP control activities for the site, working closely with the production team leaders, production manager and the Materials and Production Planning manager.

Overview of responsibilities

Produce a production plan that maximises labour and machinery resource.

Work closely with the production team to ensure quality on time production.

Measure and produce capacity plans

Ensure data is up to date and correct
The ideal candidate / Production Planner may have some of the following, however, please note these are only desirable and not essential as all applications will be looked at individually:

Previous experience working in a production planning role within a manufacturing/production environment - ideally within an assembly focused environment.

Any experience in a machining and fabrication environment beneficial

SAP experience

Competent working with computers including Microsoft Excell spreadsheets

A confident communicator as the role will have elements of being out on the production floor liaising with the production team.
Commutable from: Nottingham, Derby, Ilkeston, Clay Cross, Hucknall, Alfreton and surrounding areas.

If you are interested in the Production Planner, please apply immediately due to the

urgency of this role.
