Production Planner & Controller - Hoddesdon, Herts - OFFICE BASED

£40,000 - £45,000 DOE

Are you passionate about streamlining production processes and ensuring efficiency within a dynamic manufacturing environment?

We're hiring a talented Production Planner to join a vibrant team and manage internal forecasting, production schedules, and more!

In this role, you'll collaborate with the Procurement and Production teams to ensure the MPS/MRP plan is delivered on time and achieves/improves the planned cost. We're looking for outstanding planning and analytical skills. You must also have an aptitude for building and managing production forecasts and delivery schedules.

Key Responsibilities:

- * Manage and develop internal forecasting for production requirements.
- * Collaborate with production teams to establish and uphold production schedules.
- * Coordinate with the supply chain team to forecast raw stock and implement delivery plans.
- * Liaise with sales departments to align forecasts and schedules with sales requirements.
- * Maintain production of Key Performance Indicators (KPIs) and produce comprehensive reports for the management team.
- * Work alongside the Operations Team to identify and implement efficiencies in production processes.
- * Address production issues and maintain jeopardy management to ensure schedule

adherence.

* Oversee the creation of production orders to align with production schedules.

General Requirements:

* A minimum of 3 years of supply chain/production management, preferably in a product manufacturing environment, is required.

* Proficiency in building both Material Requirements Planning (MRP) and Master Production Scheduling (MSP) plans.

* Strong proficiency in Microsoft Office, particularly Microsoft Excel.

* Experience using ERP systems

* Excellent planning, time management, and analytical skills.

* Strong organizational and execution skills.

* Competent in problem-solving and decision-making.

If you're ready to significantly impact global production processes and drive efficiency to new heights, we want to hear from you! Join our team and be part of a collaborative environment dedicated to excellence. Call now, don't miss out on this opportunity to join a friendly and dynamic as they continue their exceptional growth journey!!
