Job Description

Do you have experience within a factory environment, alongside experience of working shifts?

If so, I have a fantastic opportunity with a manufacturing company based in Bingley for a Machine Operator.

They work 12-hour shifts (2 days, 2 nights, 4 days off). They are looking for someone who has proven longevity within a role and a hunger to learn. Full training will be given, the most important factors are the right attitude and work ethic.

This is a physically demanding role and you will be required to lift 25kgs regularly over the course of a shift.

The hourly rate is £13.35 and the role is permanent.
