

## Production Technician

[Apply Now](#)

Company: XS Recruitment

Location: Chadderton

Category: other-general

## Production Operative

Broadgate Business Park, Chadderton

*Rotational shifts:*

6 am to 2.10 pm, Monday to Friday, the week after: 2 pm to 10.10 pm

LONG TERM - contracts available from 6 to 12 weeks

£11.49 per hour, with an increase to £12.75 per hour when fully trained

### **Duties/Experience:**

We are looking for production operatives who have the following skills:

CNC machinery experience, good with computers, physically fit as the duties will involve being on your knees, leaning over to roll out materials.

Also able to confidently use a tape measure and need attention to detail.

Good time management and ability to multitask while jobs are being carried out will also be needed

### **Key responsibilities:**

- Operating various Production machines including Cutting, Heat Seaming, Perforating, Slitting and Stitching machines - safely and efficiently
- Prepare and pack manufactured goods as required including storing in appropriate areas
- Input the necessary items into the computer system and produce labels as required
- Inspect product where appropriate and isolate non-conforming products as required

- Produce and store manufacturing samples for quality purposes
- Ensure all goods are properly marked, stored and logged on the system
- Ensure unused raw materials are properly labelled and placed in the designated area
- Co-ordinate with other departments where appropriate
- Institute good housekeeping practices and clean areas at all times and ensure that the work area is ready for the next shift
- Ensure the Company's Health and Safety Policy is adhered to at all times
- To work within business guidelines and procedures. Notify Production Shift Supervisor / Manager of any Safety Hazards
- The above is a non-exhaustive list of duties, and you are expected to undertake any other duties as reasonably requested by your Production Shift Supervisor / Manager

### **Skills and Experience:**

- Experience within a busy production environment essential
- Well organized, confident, self-motivated individual with experience in a similar role
- A strong problem solver
- Good communication skills
- Strong work ethic
- Excellent timekeeping
- A flexible and adaptable team member

Please apply today for an immediate call back.
