

## Production Winding Operative

[Apply Now](#)

Company: TQR Consultancy Ltd

Location: Plymouth

Category: other-general

We are working with a specialist manufacturing firm based in Plymouth. We are looking for a Production Winder Operative to join a fast paced production shop floor team.

As a Winder Operative you will run a cabling machine and ensure units of cabling are wound in a timely manner. Working towards deadlines and overseeing the quality per unit and packing according to the customer order.

The successful applicant will be motivated and have previous production experience working in a demanding environment. Full training will be provided with a friendly team on site.

This is a temp role offering hours of Monday to Friday dayshift 8am - 4.30pm.

If you are an experienced Production Operative and looking for a new challenge, please apply!
