Property Projects Lead | Rail Experience Essential | Permanent | Hybrid | £70k-£80k | Manchester-Leeds-York

We are currently supporting one of our long-standing clients to find them a real master of delivery to step into a Property Projects Lead role in the rail industry. This role has huge potential, taking on Programme Manager responsibilities to drive the Station Improvements programme. They described this as a pivotal position, with the potential of progression being huge for the candidate who can drive successful delivery. The ideal candidate will have previous experience within rail infrastructure and, specifically, within station upgrades and improvements. They need someone with outstanding stakeholder management skills, as they will be representing the client in third party investor and local government/council meetings.

Responsibilities: Management of the Property Projects team, with a mix of permanent staff and contractors
Regular liaising with external stakeholders; council members, third party investors etc
Managing the portfolio, ensuring deadlines and budgets are being met
Working across organisational boundaries, leading comms and being a go-to POC within the company

What you will bring; Enthusiasm, proactivity, go-getter attitude and a strong willingness to make decisions
Rail industry experience essential, station upgrades highly desired
Outstanding comms and stakeholder management skills
Educated to a degree level
Excellent project management experience
Logistics: £70k - £80k pa. + benefits
Hybrid - Management role means multiple days per week in the office
Offices based in Manchester, Leeds & York
Occasional visits to other sites, rail card provided
