

United Kingdom Jobs Expertini®

Programme Director

[Apply Now](#)

Company: expand group

Location: United Kingdom

Category: installation-maintenance-and-repair

Role: Programme Director - ISP, Broadband Provider, BDUK United Kingdom - Hybrid - Contractual

Are you a seasoned professional with a knack for navigating the complexities of programme management, contract management and everything in between? you're exactly what we're looking for! We have teamed up with one of the most exciting and innovative internet providers in the UK that's leading the way in bringing high-speed internet to rural areas. Their main mission? to empower remote communities with lightning-fast broadband through their state-of-the-art technology.

MUST HAVES: Proven track record of Programme Management experience, with an OVERALL focus on successful delivery particularly within Telco or ISP environment. Preferably someone with BDUK Procurement experience. Proficiency in Contract Management, Programme Delivery, Supplier Management, and Stakeholder Management, People Management. The package is open to discussion.

Interested in knowing more? drop your CV or message me directly at shasha@expand-group.com looking forward to connecting!
