Company: GTS Group Ltd

Location: Manchester Area

Category: other-general

Are you a project manager with significant rail / civils experience looking to join one of the UK's fastest growing rail contractors? If you take pride in delivering rail infrastructure projects that keep Britain moving, this is the perfect role for you. I'm looking for a Project Manager to join one of the UK's most innovative on track rail companies. As project Manager, you will oversee civil engineering activities from initial enquiry to contract completion. Responsibilities include (but not limited to):

- Appointing Site Managers and Supervisors
- Producing Project Documents and HSQE contract plans
- Thorough planning of works
- Acting as the Responsible Manager

This is a hybrid role overseeing projects across the Northwest and Central area. You must have rail experience to be considered for this role. For immediate consideration, please send your CV and contact details to richard.w@gts-search.com. Best regards Richard Wakeland Senior Consultant GTS Transportation +44 7401 278993
