

Project Manager - OT Security

[Apply Now](#)

Company: TEC Partners

Location: United Kingdom

Category: business-and-financial-operations

Job Title: Project Manager - OT Security

Location: Remote, UK

Rate: £ - £ per day (**outside IR35**)

Duration7 months

Tec Partners are working with a world-leading technology client who are currently looking for an experienced OT Security Project Manager, ideally with experience in the manufacturing industry, to work on customer assignment. As a Project Manager, you will bring your knowledge and expertise in OT Security and risk, to support the progress and success of OT Cyber Security Controls into the clients manufacturing plants.

What they are looking for:

Experience with Operational Technology and OT Security

Project Management experience or similar

Appreciate for OT security risk

Ability to work on technical documents and read and understand architectural documents

Manufacturing industry experience desirable

This is an exciting opportunity for an experienced Project Manager to join a truly world-class business, which will give you access to incredible learning and development opportunities, and work on assignment with an equally exciting customer. If you are a Project Manager (or similar) with a background in OT Security, get in touch right away!

If you are interested in this position or would like to discuss further, please send your CV for immediate review.
