[Apply Now](#)

Company: 00139 LEIDOS INNOVATIONS UK LTD.

Location: United Kingdom

Category: business-and-financial-operations

## Project Manager

**Location: Hybrid to Farnborough, UK**

**Clearance: High level of security clearance - SC**

### **UNLEASH YOUR POTENTIAL**

At Leidos, we deliver innovative solutions through the efforts of our diverse and talented people who are dedicated to our customers' success. We empower our teams in the UK to address some of the most complex problems in defence, government, safety and security, and transportation. Everything we do is built on a commitment to do the right thing for our customers, our people, and our community.

### **Are you ready for your next challenge?**

We have an exciting opportunity for a Project Manager to work within the Programme Management Team for a successful client. This position is a full time, permanent role and applicants must have (or be able to acquire) SC clearance.

Leidos is looking for an applicant to come on board and successfully support the multi-functional team and to assist in the management and administration of project delivery aspects of a major defense programme delivering support to both National as well as Global defense strategies.

Responsibility for administrating Project activities and providing direction and corrective actions to ensure that programme milestones can be achieved.

Ensure that robust Management Plans (including PMP and IMS) are created, maintained and applied in accordance with industry best practice

Reviewing and approving risk management process recommendations and ensuring the impact of risks is eliminated or significantly mitigated. Expediting matters as necessary to secure efficient completion of the overall Programme

Ensure sub-contract management and development activities are completed to support the programme (in consultation the Procurement, Finance and Contracts)

### **Your Role and Responsibilities**

Proven track record in successfully delivering projects or task work packages.

Able to demonstrate experience in Programme Support.

Good interpersonal skills and judgement for dealing with both internal and external stakeholders to develop strong working relations to support achieving objectives.

Ability to engage and work within a multi-functional programme team comprising both customer, supplier and internal staff with an awareness of engineering principles.

Able to demonstrate a sound understanding of business, finance and personnel management techniques and the commercial aspects of projects.

The ability to communicate, negotiate and influence effectively.

Enthusiastic self-starter with good verbal communication

Excellent written communication through the use of e-mail, presentations and reports

### **Your might also have:**

Experience leading project teams to deliver to the ideals of project management, on Time, to Budget, at the required Quality.

Experience of MS Project (eg. Gantt, Timeline, IMS, Reporting)

Experience of Agile development (e.g. SCRUM)

Knowledge of database technologies (e.g. Oracle DB, MySQL)

Knowledge of Earned Value Management principles.

MOD or Defense knowledge would be highly advantageous
