Company: Carrington Recruitment Solution

Location: United Kingdom

Category: computer-and-mathematical

Project Manager, Professional Services, AGILE, Waterfall, PMP, Prince 2, Mainly Remote
Project Manager required to work for an exciting Professional Services organisation based in Central London. However, due to Covid-19, there will be a good home working policy.

Here is the wish list:

- Project Management or Business Analysis experience, mainly within various verticals across IT
- Professional Services experience preferred
- MUST know the difference between being a Project Manager and a Business Analyst
- Ideally will have worked for a company (or companies) of 1,000 people+
- Ideally has commercial AGILE and / or Waterfall experience (this company uses a blend of AGILE and Waterfall together)
- Ideally 2+ year Project Management experience
- Extensive Stakeholder Management experience
- Ability to articulate personal responsibility for each and every project delivered
- Ability to show ultimate pragmatism when approaching difficult projects
- Strong presence with excellent people, communication and presentation skills
- PMP or Prince II certified
- Ambitious and the type of Project Manager that has not done EVERYTHING and wants to learn more. This growing company is big on progression

This is a great opportunity and salary is dependent upon experience.
