### Key skills required for this role

Business change , Project management , Retail

### Important

Project Manager , Business Change

### Job description

Our client, a leading retail company in the optical industry, is seeking an experienced Project Manager with strong business change experience within the retail sector, to join their team on a contract basis.

### Key Responsibilities:

Take ownership of multiple projects from initiation to completion

Develop and manage project plans, budgets, and timelines

Coordinate and collaborate with cross-functional teams to ensure smooth project delivery

Identify and mitigate risks, ensuring projects are delivered within scope and budget

Provide regular project updates and reports to stakeholders

Drive the implementation of best practices and continuous process improvement

Ensure adherence to project management methodologies and standards

Manage vendor relationships and third-party suppliers

**Job Requirements:**

Significant experience in project management, ideally within the Retail industry

Demonstrated expertise in managing complex programs within the retail sector.

Strong understanding of project management methodologies and tools

Excellent communication and interpersonal skills

Proven ability to build and maintain relationships with stakeholders

Exceptional organisational and time management abilities

Ability to work effectively under pressure and meet tight deadlines

Relevant certifications, such as PMP, PRINCE2, or Agile, are highly desirable
