Company: Progressive Global Energy

Location: United Kingdom

Category: business-and-financial-operations

A key client of mine is currently looking to take on 2x contract Project Managers for their AD projects.

The client is looking for somebody who is comfortable seeing the project from cradle to grave and has a strong understanding of both construction/engineering but equally the contractual/administration side of running a project.

Looking for somebody from an AD/Oil and Gas/Chemical Process background.

Role - Project Manager

Rate - £450 -550 p/d

IR35 - Outside

Location - Lincolnshire/Northamptonshire - but hybrid working

Length - Initially 6 months but 2 year project (likely extension)

Qualifications - FIDIC or IChemE (preferred)

If you feel you'd be a good fit for the role please apply and I'll be in touch.
