**Job Title:** Project Development Manager - Solar Renewables  
**Location:** Manchester, Bristol, Birmingham, London (REMOTE)  
**About Us:** We are driving the expansion of our Solar-PV business across Europe, a pivotal part of our strategic growth. With ambitions to achieve over 1 GW growth annually by 2025 and to have a minimum of 10 GW on our balance sheet by 2030, we are actively seeking passionate individuals to join us in this exciting journey. As a Project Development Manager (PDM), you will play a crucial role in ensuring the success of our solar projects, contributing to the transformation of the energy sector towards a sustainable future.  
**Responsibilities:** Lead the management of portfolio projects, collaborating with co-developers to ensure successful development steps, from origination to ready-to-build (RTB). This includes proactive issue resolution, precise project reporting for decision-making, obtaining necessary approvals, and ensuring projects are delivered on time and within budget. Provide expertise in permitting and solar project evaluation to support due diligence for portfolio acquisitions and partnership negotiations. Actively participate in building expertise within the Renewables team, staying updated on permitting regulations and disseminating relevant information, while supporting cross-functional initiatives impacting the team.  
**Your Profile:**  
**Essential:** Experience in the pre-construction phase of Solar and/or BESS sites. Comprehensive knowledge of project development steps, including permitting, land contracts, and grid connections. Strong project management skills with attention to detail and adherence to deadlines. Excellent communication and presentation skills, capable of collaborating effectively in an international and multicultural environment. Fluent in English; other languages are advantageous.  
**Desirable:** Strong interpersonal skills and

resilience, with a solution-driven mindset. Technical expertise in solar energy and familiarity with financial tools and concepts. Willingness to travel as required. Your Qualities: We value our employees' dedication and offer competitive salaries, comprehensive benefits, and a supportive working culture that fosters innovation and personal growth. Benefits include: A generous company pension Health-related benefits Flexible working arrangements Access to learning and development opportunities. Job Information: Contract Type: Unlimited Working Hours: Full-time Start Date: ASAP Salary: Competitive salary + excellent pension, flexible benefits & private medical insurance. Don't miss the chance to be part of a dynamic team driving the energy transition forward.
