Company: Kenton Black

Location: Wakefield

Category: construction-and-extraction

Project Manager

Civils / Infrastructure

Up to £60k Basic Salary, Car/Allowance, Fuel Card & Attractive Benefits Package

Yorkshire

Following recent contract awards on Water Frameworks in the Yorkshire region this well establish regional civil engineering company, are looking to secure the services of a Project Manager (or Senior Site Manager who is looking to make the next step) to join their tight senior management team.

The ethos and desire to deliver projects to a high standard has already enabled them to grow their portfolio of clients (either directly or to Tier 1 main contractors) and the fact that now around 80% of their business is negotiated tells a tale of their success.

### PROJECT SCOPE

Works predominantly on Framework schemes / General Civil Engineering (RC Works, Drainage, ducting, foundations, pipelines) mainly c.£1m-£3m

### KEY ATTRIBUTES

Preferably engineering background

Self-delivery civils management experience

Developing and maintaining programmes through the project life cycle and ensuring works are delivered against the contract programme

Commercial reporting of the project

Level of contractual awareness preferred (NEC)

Delivery of projects within strict H&S protocols

Ensuring that all mandatory reporting of KPI's, Near Misses, accidents and incidents are carried out as per AGC and Client procedures

Track record of project delivery to a Tier 1 Contractor

Leading the project risk management process and ensuring effective controls are established to support delivery of the project

Ability to uphold the core company values and inspiring and encouraging the same throughout the team

Degree or HND qualified

Good IT skills, including MS project

## IN RETURN

As mentioned the company are looking for individuals who are looking to grow with the business and will invest time and effort to enhance personal development where required, to offer a positive and supported working environment, be remunerated well and be a place where you want to perform at your highest level.
