Company: CDM Recruitment

Location: Hebburn

Category: architecture-and-engineering

### Job Description

We are seeking a permanent Project Tender Planner to work for a large family run civil engineering contractor to work in their offices in the Seaham area of North East England.

The organisation is a leading civil engineering company that employs over 1,000 people and has a turnover now in excess of 169 Million per annum. They have over 100 live projects on at anyone time and their projects include flood alleviation schemes, waste water treatment plants, clean water infrastructure solutions i.e. Reservoirs, dams, new drainage and large sewer projects with most projects from 100K up to 60 Million per annum.

The role would suit well organised individuals with an understanding of the end to end process involved from tender design to construction. The ideal applicant would have experience of tender and project planning and be proficient in Microsoft Project, Excel and other Office packages and have extensive experience and knowledge of using Primavera PE3 v.6.

This role offers a very competitive salary and very generous benefits package
