

Project Surveyor

[Apply Now](#)

Company: Wates

Location: United Kingdom

Category: other-general

Wates are looking for a Senior Quantity Surveyor to join Smartspace, our fit out and refurbishment business.

If you are passionate about the commercial aspects of Construction and are looking for an opportunity to challenge the norm, bring fresh new ideas and elevate yourself within the industry then join us and help to create tomorrow together.

This is a great opportunity to progress your career as part of a talented, diverse, and supportive team.

ABOUT THE ROLE

Our Senior Quantity Surveyors are a valuable part of our business, where they lead the team on a project or cluster of packages having full accountability for the development and implementation of all pre and post contract strategies, commercial functions and contract reporting. Project Surveyors take the lead; working collaboratively with our customers and industry specialists with a firm focus on added value, compliance, commercial viability, and best practice.

As our Senior Quantity Surveyor you will:

Manage the project commercial team ensuring all Wates Main Contract obligations are met and process obligations are complete with particular reference to Procurement, Sub-contract orders, Managing Supply Chain, Measurements and Valuations, Contractual Notices and Valuing Change.

Complete and submit Monthly Cost Reports, Procurement Strategy Updates and

Internal/External Progress Reports alongside developing and implementing internal and external tender stage and delivery strategies.

Agree external valuations upstream/downstream to maintain a positive project cashflow and produce and agree main and subcontract final accounts.

WHAT WE OFFER

Competitive salary & profit share scheme

Flexible working

Car Allowance / Company Car (subject to Role/Grade)

Travel covered to any of our sites (subject to HMRC advisory rates)

Extensive corporate benefits including, Private Medical, Pension 8% employers' contribution, Health and Wellness programme, 26 days holidays + bank holidays and much more...

Excellent range of learning and development activity to support your career progression.

Industry leading family leave benefits to included 26 weeks fully paid maternity, 8 weeks fully paid paternity.
