Company: Jameson Legal

Location: United Kingdom

Category: business-and-financial-operations

Our client is an independent law firm operating in the East Midlands offering a friendly and energetic culture.

They are a directories-recognised full-service law firm with a property team that is exceptionally busy resulting in a number of litigious matters being referred to the litigation department. External instructions also coming to the firm through word of mouth, reputation and referrals.

Due to natural movement within law firms, our client seeks to hire a property litigation expert sit within the overall litigation department.

This is a great opportunity for an experienced solicitor ideally offering 3-4 PQE minimum who would like to join a busy and thriving law firm, working on behalf of a broad diet of clients across the east Midlands.

The candidate:

UK qualified solicitor.

3-4 PQE minimum with experience in Property Litigation or commercial litigation having had exposure to some property litigation with a reputable law firm (no limit on experience).

A self-starter.

Team player.

Happy to be in the office 3 days a week as minimum.

Commercially minded and happy to network both externally and internally amongst the firms

other departments.
