Company: Taleo BE

Location: United Kingdom

Category: other-general

### Job Title

Property Manager Surveyor

### Job Description Summary

#### Job Description

#### Property Management Surveyor

#### Location – Edinburgh, Edinburgh Quay

Are you a Property Manager wanting the opportunity to work for a large global organisation where you have the chance to develop quickly and enjoying working with large accounts and exciting assets?

We are looking for an experienced Property Manager Surveyor to join our Scottish Asset Services team situated within our Edinburgh Quay offices.

You will join our team who are looking to grow our offering in Edinburgh, we have had great success across Scotland and have real ambition to continue this, as well strengthening working cross functionally with our wider teams, including Building Consultancy and Agency.

This will be a key role within the Asset Services team in Scotland working on a variety of key clients' properties, with mixed property types making this an interesting and varied role.

The ideal person will have previous experience working as a surveyor within commercial property management, dealing with multi-use properties, you will be someone who has an appetite for business development, cross selling with our internal local and national teams.

Account management is key, so you will be someone who has successful track record of

working closely with senior stakeholders, and exceptional communication and a proactive approach identifying asset management opportunities.

**Key knowledge and qualifications:**

- MRICS
- Commercial property management and property management systems experience
- Knowledge of H&S regulations in relation to commercial property management

Don't meet every single requirement? Studies have shown that women and people of colour are less likely to apply for jobs unless they meet every single qualification. At Cushman & Wakefield, we are committed to building a diverse, inclusive and authentic workplace for everyone. So, if you're excited about this role but your experience or qualifications don't match the job description exactly, we encourage you to apply anyway. You might just be the right person for our growing business in this role or another one.

Cushman & Wakefield is committed to equity in employment and our goal is to have a diverse, inclusive, and barrier-free workplace. If you are a person with a disability and need the job posting in an alternative format or any other accessible accommodations during the hiring process, please email your request to [recruitment@cw.com](mailto:recruitment@cw.com). Please refer to the job title and job location when you contact us.
