

Proton Therapy Service Engineer (On-Site Central London)

[Apply Now](#)

Company: 0064 Varian Medical Systems UK Ltd.

Location: United Kingdom

Category: architecture-and-engineering

Description

As part of our team, you'll play a pivotal role in providing on-site support, maintenance, and troubleshooting for our Proton Therapy equipment and ancillary devices. Your responsibilities will include ensuring the optimal performance of our Proton Therapy devices, reporting key performance indicators, and delivering exceptional customer support. No daily traveling required – you'll be working directly on-site, immersed in a dynamic and collaborative environment.

Skills & Experience Required:

Experience within automation or the medical device industry

Profound knowledge of electronics and mechanics (3 to 5 years dedicated experience preferred)

Strong hardware and software technical expertise

Background in electrical engineering, IT, or mechanical engineering

Willingness to work in a rotating shift pattern and during irregular hours

Customer-focused attitude with excellent interpersonal communication skills

Fluency in English (written and spoken)

Familiarity with business tools such as E-mail, Microsoft Word, Excel, and PowerPoint

Other Desired Skills and Knowledge:

Preferred experience with proton systems

Eagerness to embrace new technology and continuous learning

Proficiency in computer usage and debugging skills

Knowledge of networks and imaging systems

Experience with SAP or equivalent ERP software desired

Why Join Varian?

Be part of a pioneering team shaping the future of oncology

Work in a dynamic, collaborative environment with opportunities for growth and development

Contribute to a meaningful mission dedicated to fighting cancer

Enjoy competitive compensation and benefits packages

This role comes with a 15% shift allowance & a 5% bonus, plus a good base salary, health insurance options & pension

Ready to embark on an exciting journey with Varian? Apply now and let's make a difference together!

Varian is required to comply with all local and applicable regulations that may be associated with vaccine requirements for certain roles.

Fighting cancer calls for big ideas.

We envision a world without fear of cancer. Achieving this vision takes dedication and commitment from all of us, every single day. That's why we celebrate and value the distinctly beautiful and intersectional identities of each of our employees. We are a mirror of our patient-base, which allows us to innovate. Big ideas come from everywhere, and the best ideas are fostered by our unique individual experiences. At Varian, we encourage you

to bring your whole self to work and believe your bold and authentic perspective will help to power more victories over cancer.
