

Public Rights of Way Officer

[Apply Now](#)

Company: Carrington West

Location: Manchester

Category: architecture-and-engineering

An exciting opportunity has arisen for an experienced Public Rights of Way Officer to come and join a busy client in the Manchester area.

The main duties and responsibilities of the Public Rights of Way Officer are:

Knowledge about the legal aspects of public rights of way (PRoW)

Responsible for assessing the condition of the Public Rights of Way network to ensure it is maintained to a standard acceptable to the Highway Authority, liaising with landowners or occupiers to ensure they carry out their legal responsibilities.

Responsible for raising defects using data capture devices and creating job packs in line with CDM Regs to enable the delivery teams to plan and prioritise work accordingly

Develop, maintain and update records and management systems

Act as expert witness representing the Council at Public Inquiries

Deal with general enquiries and provide technical and professional advice in respect of green space and rights of way issues

Knowledge of how to operate a GIS based system

For a full description and further information on the role, please call Harriet Simmonds at Carrington West on (phone number removed).

FOOTNOTE:

If you feel that you are right for this role technically, but the rate, location or seniority does not suit you specifically then please still feel free to send us your CV. We constantly recruit for roles very similar to this one at all levels UK Wide. We are always keen to chat with you discreetly about your employment situation.

Even if you are happy in your current role for now, we always welcome calls from Highways, Traffic & Transportation professionals keen to make their introductions for future months or years. Our specialist team has a combined 40+ years' experience in this market. Please call Harriet at Carrington West on (phone number removed) for more information.

By applying for this position you are agreeing for Carrington West to hold and process your personal data in accordance with our Data Protection Policy. Your data will be shared with third party clients specifically relevant to any roles you have applied for. If at any stage, you wish to withdraw your consent please email.
