Permanent

Python Software Engineer Healthtech Up to £80k + package Hybrid

One of the fastest-growing companies in the Healthtech and wellness space is on the hunt for a Software Engineer to join their team as they continue to surge! This is an exciting opportunity to work on innovative software solutions that have the potential to transform the industry.

They are a tech scale-up that offers personalized solutions through their unique online platform. Their approach combines cutting-edge technology with expert healthcare and dermatological advice to deliver customized regimens that are tailored to the individual needs of each customer.

You Will:

Work collaboratively with the other members of the tech team to build high-impact solutions.

Work across their whole tech stack, including backend, frontend, and infrastructure.

Champion best practices to deliver well-tested, robust software that always delivers.

Contribute to the ongoing development of their systems architecture.

Work closely with product, design and business owners to solve problems, test hypotheses,

and develop new features for their customers.

Your Experience:

Mastery of Python and its web development frameworks (Django, Flask).

Experience working with relational databases.

Some experience in frontend development (Javascript, HTML5, CSS3).

A strong understanding of software engineering fundamentals: version control (git), OOP, unit and integration testing.

Why Apply?

A daily challenge in a technology-driven, entrepreneurial, start-up environment, where no two days will ever be the same.

Make a difference work within a revolutionary company that is focused on improving millions of lives.

A serious commitment to growth your career growth and personal development will be nurtured and supported.

Significant equity potentially life-changing value if you commit to our long-term mission.

Support network Investors and advisors that you'll have the opportunity to work with have built some of the world's best consumer companies.

Benefits:

Free Breakfast & Lunch

Equity Along with a competitive salary, you'll also have access to our generous share award package which means every employee has a stake in the business. We are all in this together

Health and wellbeing focus They offer a healthcare cash plan, cycle-to-work schemes plus free healthy breakfast and lunch in the office.

Culture club Their culture club team meets every week to make sure we celebrate their big wins and milestones too, with parties, surprises and more.

£ annual development budget for any learning, training and development opportunities.

Courses, books, software if it helps you in your role, well help you get it.
