Company: D R Newitt

Location: United Kingdom

Category: business-and-financial-operations

Job Description

Quality Assurance Auditor

Are you experienced in Quality/Technical with in Food & Drink Manufacturing? Perhaps looking for a new job that is a stepping stone, has clear progression routes, working rotational day & back shifts with a BRC accredited company? This might be for you!

You will be managing a small department, collaborating across cross-functional teams and deputising for Head of Technical, when required. You will be working with major UK retailers, participating in taste panels, shelf-life analysis and internal auditing.

Location: Glasgow

Job Title: Quality Assurance Auditor

Salary: £28K-£35K (DOE)

Work Pattern: Monday to Friday – 5:30am-2pm – 1:30pm-10pm (2-week rotational shift pattern)

If this sounds like it might be of interest, apply today with an updated CV and I will come back to you with more information –
