Job Description

I'm working with a leading retail provider based in the Glasgow region as they look to appoint a Quality Manager to the team.

If you have previous Quality / Technical management experience, with strong retail experience, who can work collaboratively with senior management whilst also thriving off autonomy, I have a role that might interest you.

My client is looking for someone to come in and look after the quality team, keeping the factory audit ready, leading the factory side of the audits when necessary, resolving any issues within the factory and deputising for the technical manager when necessary.

Hours

Monday – Thursday 8:00AM – 4:30PM

Friday – 8:00AM – 4:00PM

Salary

£40,.00-£45,.00

If this role sounds interesting, please apply and I will call you with more information
