Company: Flagship Consulting

Location: Cardiff

Category: construction-and-extraction

Excellent opportunity for an Intermediate Quantity Surveyor to work on an established Utilities framework based in Cardiff.

THE COMPANY

My client is a well-recognised Consultancy within the UK and employs over 100 members of staff across multiple offices. They have a fantastic reputation with clients and as a company they are forever expanding, working across a wide range of sectors. This is a fantastic Consultancy to be a part of as they have a variety of long-term secure frameworks in place. It would be perfect for someone looking for job security and progress further into their career.

THE POSITION

Due to their ambitious growth plans and to deliver their ongoing demand they are looking to recruit an Intermediate Quantity Surveyor to join the team in Cardiff. The Quantity Surveyor will be given the opportunity to work across multiple projects and be given the responsibility to run projects from inception to completion within the Water/Utilities sector. As the company continue to grow they will also be provided with excellent opportunities to progress as well as have excellent APC support.

THE CANDIDATE

The successful Quantity Surveyor must:

Have a relevant Quantity Surveying degree

Have a can-do attitude and a willingness to learn and progress

Have experience working on projects within Infrastructure and a knowledge of the NEC contract

Have effective communication and client facing skills

WHY YOU SHOULD APPLY

Opportunity to progress within a thriving business

Great company culture and flat management structure

Repeat business from established clients

Secure workload
