Company: Anderselite

Location: Devon

Category: business-and-financial-operations

Working with a leading national civil engineering contractor I am recruiting for a Quantity Surveyor to join their team in the South West of England area, based in either Exeter or Plymouth and having commercial responsibility for projects in the South West of England region.

Specific responsibilities for the Quantity Surveyor will include:

- Procurement
- Applications for payment and invoicing
- Cost control
- Accounting and reporting
- Risk and opportunity management
- Change control
- Subcontract management and administration

To be considered for this role you must be a Quantity Surveyor with prior experience of working in a similar role within civil engineering, infrastructure or rail construction. Ideally you will hold a formal qualification in a relevant subject while demonstrating competency in the responsibilities above.

Salary and package available for this role is in the region of £40k to £48k plus package.
