

Quantity Surveyor - Refurbishment & Fit Out

[Apply Now](#)

Company: GVR Solutions Ltd

Location: Romford

Category: construction-and-extraction

Quantity Surveyor required in Essex

GVR Solutions are currently representing a reputable and very well-established main contractor, based in Essex, who have entered the market for an experienced Refurbishment and Fit out Quantity surveyor to join their pre-construction team. However they would look at a joinery fit out Quantity Surveyor for this position.

As a Quantity Surveyor, you will:

- * Be reporting to the senior Surveyor/Commercial Manager
- * Assist in establishing a client's requirements and undertake feasibility studies
- * Ensure the commercial targets are achieved including project and programme cost, quality and time.
- * Managing the costs of the project, budgeting, and cash flows
- * Carry out measurement for valuations
- * Analyse progress and reporting

- * Identify Opportunities and risks
- * Attend post tender and pre-contract meetings.
- * Prepare summary reports for the client and other stakeholders

The Quantity Surveyor must have/be:

- * A degree in Quantity Surveying or construction related
- * Experience working for a well-established main contractor
- * 5 – 10 years Quantity Surveying experience
- * Experience working on Fit out and refurbishment projects
- * Excellent analytical skills to make informed, balanced business decision and reporting
- * Proven track record of delivering construction projects
- * Excellent communication and oral skills
- * Stable employment history
- * High-performing individual
- * Versatile
- * Excellent time keeping skills

If you match the requirements and are interested in the position, then please get in touch.
