Quantity Surveyor

London

Construction Consultancy

£55,000

A small but well respected Quantity Surveying and Project Management Construction consultancy, based in South West London, are seeking an intermediate level Quantity Surveyor to join their growing team.

A progressive, forward thinking company who have a strong pipeline of work and are looking for an intermediate Quantity Surveyor to provide support to their team of senior Quantity Surveyors.

This company work in a number of sectors including Residential, Commercial and mixed-use.

The successful intermediate Quantity Surveyor will be joining an organisation founded on the principle of employing the very best people in the industry and have a superb track record in developing their staff.

About the role:

The successful Quantity Surveyor will gain experience in the core areas of Quantity Surveying, particularly:

- * Preparing tender and contract documents, including bills of quantities
- * Cost estimates
- * Feasibility studies
- * Procurement
- * Progress reports
- * Employers agent services

The successful Quantity Surveyor will have every opportunity to progress to a more senior role within the company should they desire.

About the requirements:

- * The successful Quantity Surveyor needs to have a strong understanding of the role of a Quantity Surveyor
- * A RICS accredited degree would be preferable
- * A desire to become chartered through RICS.
- * Exceptional client facing skills are essential as is the ability to interact with all manner of stakeholders at all levels.

About the salary:

* Up to £55,000 (DOE)

* Generous pension contribution

* Generous annual leave entitlement

* Career progression

If you are a Consultancy based Project Manager or Quantity Surveyor of any level and seeking a new role, please contact Damian Eatwell at Cityscape on (phone number removed) or (phone number removed)
