Company: Spire Healthcare

Location: United Kingdom

Category: healthcare-practitioners-and-technical

General Radiographer | Imaging | Washington | Part Time | 15 hours with overtime opportunities

Spire Washington has expanded its services and as a result, we have a brand-new opportunity for a Radiographer to join our outstanding Imaging team. This is an excellent opportunity for a healthcare professional to join our team and play a critical part in our period of growth.

Spire Washington is a 35 in-patient bedded hospital with 10 consultation and 2 treatment rooms based just off junction 63 of the A1 with great commuter links. Our hospital offers a range of services and facilities including four operating theatres covering specialities including Orthopaedics and Gynaecology and a full Diagnostic suite.

Duties and responsibilities:

Providing highly skilled and specialised imaging for patients and to make informed decisions on the diagnostic imaging required.

Communicate appropriately with others involved in the care of the patient.

Ensure that Spire radiology procedures are implemented and maintained.

On call requirement HCPC Registered Radiographer

Who we're looking for:

Post graduate experience within general and theatre.

Has worked in an imaging department providing a variety of imaging services to an advanced

level of practice.

A hardworking, team player with a passion for outstanding patient care

Benefits

We offer employees a competitive salary as well as a comprehensive benefits package which includes but is not limited to:

35 days annual leave inclusive of bank holidays

Employer and employee contributory pension with flexible retirement options

'Spire for you' reward platform - discount and cashback for over 1000 retailers

Free Bupa wellness screening

Private medical insurance

Life assurance

Please see the attached benefits leaflet for more information.
