

React Native Developer

[Apply Now](#)

Company: Futureheads

Location: United Kingdom

Category: computer-and-mathematical

I have partnered with an exciting innovator within the exercise space looking for an expert Front-end React Native Developer to join their team.

This project will see you work closely with IOS and Android to help keep their applications up to date with current standards.

Skills:

- React native
- UI and UX focused
- Excellent communication skills

Beneficial:

- Passionate about cycling
- Experience within gaming
- Laraval (not essential)

If this sounds like the role for you, please reach out to learn more.

We encourage applicants from all backgrounds, so if there is anything we can do to make our recruitment processes better for you and to allow you to show your best self, let us know.

We also understand that some people require extra time to complete assessments, require alternative application methods and can also benefit from having interview questions or a

guide to the type of questions pre-interview. We are open to any suggestions or requests that you may have and are always looking for creative ways to assess talent. Our commitment to you is that you should always feel safe and secure when you're working with us.

Futureheads is a B Corp™ accredited digital recruitment agency based in London. We specialise in recruiting permanent, contract and freelance digital and tech professionals in creative, data, design, digital marketing, engineering, product, project and programme management, UX and service design jobs.
