As part of DJB's growth strategy for 2024 we are recruiting Client Partners. Could you be the right fit? DJB Client Partners manage their own portfolio of clients within DJB. So, if you have a successful track record managing and growing your own portfolio, then DJB could be the home for you and your clients. Client Partners have access to all of the resources and facilities of DJB, including our pool of core solicitors, enabling them to manage their own portfolio of clients within DJB's established brand. With a team of highly experienced solicitors, recruited from leading firms and senior in-house roles, our Client Partners are assured that all work produced by our solicitors is of the highest quality. Client Partners can also rely on the full support of DJB's administrative teams so they can focus on their clients, their legal work and their business development activities. At DJB you'll have the autonomy to build your practice in the way that you choose. All DJB solicitors choose where and when they work. We have perfected the tools and structures required for seamless remote working over 20 years, including IT equipment and support, and office space when you need it in London, Manchester, Birmingham and Taunton. So, if you are an experienced and senior real estate Solicitor with a successful track record of leading a team and undertaking top-end commercial property work, please get in touch. Whether your focus is commercial property, planning, environmental, property finance, regeneration, construction or property litigation, we are interested in talking to you.
