Company: Propel London

Location: London

Category: business-and-financial-operations

Job Description

My client is a global Fintech business who urgently need an experienced Recruitment coordinator to join their talent acquisition team on an initial 6 month contract.

Description of the role:

Efficiently and accurately schedule a high volume of interviews across varying business departments

Partner with recruiters to support their candidates throughout the entire hiring process, responding to queries, dealing with reschedules and providing an exceptional candidate experience from start to finish.

This is a 6 month contract role, Inside ir35 and working part remote and some days at their Central London office.
