Unique opportunity all industries/sectors

Are you currently stuck in a role that lacks in possible career progression? Do you have the knowledge/compliance to roll out your industry of recruiting? Do you have a REAL client base that depends on u? Are you delivering way higher than you're being rewarded? Looking for a company that recognises your worth with no limit to how much you can earn? Maybe you just want a change in pace from your current role? Then I have an opportunity available now for the right applicant which will allow you to reach the potential you deserve, and as a team we will assist you to become the market leader, offering you all the incentives you deserve.

I'm currently looking for recruiters, with over 2 years' experience, to join our rapidly expanding recruitment company based in London. We are today a boutique consultancy offering a unique opportunity for the right applicant to achieve your true deserves! We believe our ethos and model is one that is leading in the field and currently have multiple opportunities available for industry leading consultants, offering the total support, all backing facilities and the reaps to be gained of doing it yourself! Why take the risk or burden!

With modern offices based close to a station, they are easily accessible via public transport and the option of flexibly working from home dependent on industry and business development. Ideally we are looking for someone who is ambitious, driven, passionate, has a

great mind for business, willing to work till the works complete, a proven track record and most importantly a wealth of knowledge to make it happen themselves! In return for this we offer a number of benefits, including:

Fantastic career development

Uncapped leading commission paid monthly

Above average basic salary

Realistic six figure salaries are achievable

Only candidates who have the drive to exceed goals and have the promise to deliver the above need apply
