RECRUITMENT RESOURCER

Harrow on the Hill, Middlesex, UK

ICDS Recruitment is a specialist Construction and Civil Engineering Recruitment Consultancy with over 40 years' experience operating throughout the UK, Ireland and Europe. We are looking to hire a Recruitment Resourcer to join our busy and highly successful Construction team based in Harrow on the Hill.

You will have full responsibility for managing the complete resourcing lifecycle including advertising and social media campaigns, candidate resourcing, referencing and compliance.

The ideal candidate will have at least 1-2 years' experience of working within Construction recruitment or sales. You will be an ambitious, driven and well organised individual with a serious passion to develop a financially rewarding career within recruitment.

What do we offer?

- Highly competitive base salary
- Uncapped Commission structure
- A relaxed office environment (no KPIs or micro-management)

- Full training and support from senior management
- A genuine opportunity to progress your career
