Pitch is a leading recruitment agency, specialising in marketing, PR, creative and digital recruitment. We've been mastering our market for over 15 years, so we'd like to think we know what we're doing

Due to business growth, client demands and our ambitions to grow we're looking for a talented Resourcer to join our team.

So what does a Resourcer do?!

A good Resourcer can very quickly become a super popular member of a recruitment team.

Tasked with mapping the candidate market, searching and selecting the best possible talent and engaging our ever evolving database.

We are looking for someone with experience in a support or Resource role within a recruitment consultancy, either in the marketing industry or other professional sector. Either way, you'll be a strong communicator with a good sense for business who is comfortable developing long lasting relationships with candidates and ensuring they receive the best possible service.

You'll not only be able to match candidates already on our books, but will proactively approach marketing, PR and creative professionals through social media, recommendations and general networking.

You'll receive all the support you need to succeed including weekly huddles, one to one training and help you develop your career at Pitch and to take on more responsibility. The job also comes with a very achievable and attractive commission structure based on your success in helping our Consultants place your candidates into new jobs.
