Company: Gilbert Meher

Location: United Kingdom

Category: other-general

Regional Manager - Care Home Provider Location: North West, UK Salary: £60,000 to

£85,000 DOE Company Overview: A leading provider of exceptional care services

committed to enhancing the quality of life for individuals across our care home network.

We prioritize compassion, dignity, and excellence in everything we do, striving to create

nurturing environments where residents feel valued and supported. Position Overview: We

are seeking a dedicated and experienced Regional Manager to oversee the operations of

our care homes in the North West region. The successful candidate will be a dynamic leader with a passion for delivering high-quality care services, driving operational excellence, and fostering a positive work culture within our facilities.

Key Responsibilities: Provide

strategic leadership and direction to a portfolio of care homes, ensuring the delivery of

person-centered care that meets the diverse needs of residents. Lead and support care

home managers and staff, promoting a culture of collaboration, accountability, and continuous

improvement. Monitor and evaluate the performance of care homes against established

standards and KPIs, identifying areas for enhancement and implementing action plans as

necessary. Collaborate with internal stakeholders, including senior management and support

functions, to develop and implement initiatives that drive operational efficiency, quality

improvement, and resident satisfaction. Ensure compliance with regulatory requirements,

health and safety standards, and company policies and procedures across all care home

facilities. Qualifications and Experience: Proven experience in a senior management role

within the healthcare or social care sector, with specific experience in managing multiple

care homes preferred. Strong leadership and management skills, with the ability to inspire

and motivate teams to achieve organizational goals. Excellent communication and interpersonal skills, with the ability to build effective relationships with stakeholders at all levels. Sound understanding of regulatory requirements and best practices in care provision. Degree in healthcare management, business administration, or a related field preferred. Benefits: Competitive salary (£60,000 to £85,000 DOE) Opportunities for professional development and advancement Pension scheme Health and wellness benefits Flexible working arrangements
